

Dear Parents/Carers

31st May 2018 – Monthly Update

This Month has been a busy month and with the lovely warm weather we have taken the opportunity of making use of the garden, Jake has been taking care of the plants, while the clients have been planting some lovely herb pots which has been placed along the fence and will be used in the kitchen for cooking.

As we move into the warmer months we should see less viruses and colds doing the rounds and be able to make use of the garden, however we would like to take this opportunity to ask that if your son /daughter is ill and it is something others could contract then please refrain from sending them to the centre, this not only affects staff but other clients too, we increase our infection control at such times, however this isn't always enough to stop the germs from spreading.

Activities and community outings enjoyed this month have been:

Pub Lunches

The park

Birthday celebrations

Perdiswell Sports centre weekly

Ray Mytton Music Weekly

Rock and Roll puppets

Sensory Art sessions

Bowling

The Think Tank Birmingham

Rebound

Hydrotherapy

The willow Trust boat trips and the West Midland Safari Park are booked for the coming weeks and other community outings are being planned.

Dave Austin's Partner Sue ran the London Marathon in aid of the Myriad Centre the total amount raised was £1893.00, this money will be put toward minibus number three of which we have just placed the order and hope to take delivery early October.

As you are all aware that Pete is retiring, his last day will be Friday 29th June, we are recruiting for an interim Manager hopefully to be in place before Pete leaves, however we will keep you updated as things change.

Please find attached your invite to meet the new CEO, this will give you the opportunity to ask questions, share concerns or suggestions, and anything else you may want to know.

Please could you confirm your attendance no later than 5th July – Thank you.

Please note the Centre will be closed on Saturday 16th June due to staff first aid training.

GDPR (General Data Protection Regulations)

Thank you to all of you who have completed and returned your consent forms, these will become an annual issue to enable us to keep our records up to date, if you have any changes before then please inform us.

If you are still to return your forms please could you do so at your earliest convenience?

Best wishes from all the Team at the Myriad Centre. 01905 729190
